When you log on to www.lowpricelocator.com/ksppa and purchase an item online, two things happen...

1. You can locate and compare prices on over one billion products from thousands of stores AND save money on your purchase.
2. You are supporting KSPPA without costing you a penny.

Lowpricelocator.com is a cutting edge shopping search engine. Some compare it to Travelocity... where you book a room at a Hilton through Travelocity and they get a commission for using their search engine. Lowpricelocator.com works the same way! The shopper logs in to **lowpricelocator.com/ksppa** and can make a purchase from thousands of retailers and KSPPA receives money for our Trooper Campaign.

The Trooper Campaign money is used for hardship financial assistance to troopers and their families, scholarships for members' children, Shop with a Trooper Programs throughout Kentucky and support for Trooper Island Camp.

Share this information with your family, friends, neighbors... everyone you know so they can SHOP, SAVE, AND SUPPORT KSPPA!

It's a WIN-WIN for everyone!
